NOTES

1. In view of resurgence of the COVID-19 pandemic, social distancing is still a norm to be followed, the Government of India, Ministry of Corporate Affairs has allowed conducting Annual General Meeting through Video Conferencing (VC) or Other Audio Visual Means (OAVM) and dispensed the personal presence of the members at the meeting. Accordingly, the Ministry of Corporate Affairs vide its Circular No. 14/2020 dated 8th April, 2020, Circular No. 17/2020 dated 13th April, 2020, Circular No. 20/2020 dated 5th May, 2020 and Circular No. 02/2021 dated 13th January, 2021 prescribed the procedures and manner of conducting the Annual General Meeting through VC/OVAM. The said relaxation has also been extended by the Ministry of Corporate Affairs vide its Circular No. 2/2022 dated 5th May, 2022 and SEBI Circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May, 2022 up to 31st December, 2022.

Accordingly, in compliance with the applicable provisions of the Companies Act, 2013 ("Act") read with the above mentioned MCA, and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the Company has decided to convene its ensuing 28th Annual General Meeting (AGM) through VC/ OAVM and the shareholders can attend and participate in the ensuing AGM through VC/ OAVM only. The Company has engaged M/s. Kfin Technologies Limited ("Kfin") (Formerly known as Kfin Technologies Private Limited) as the authorised agency authorised for providing facility for convening the AGM of the Company through VC/ OAVM. The detailed procedure for participation in the AGM through VC/OAVM is as per note provided here under and also available at the Company's website www.srmtl.com

2. Pursuant to the MCA Circular, the facility to appoint proxy to attend and cast vote for the members is not available for the AGM of the Company. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, authorised representatives of the Corporate members can attend the AGM through VC/ OAVM and cast their votes through e-voting.

Corporate members intending to authorise their representatives pursuant to Section 113 of the Act to participate in the Meeting and cast their votes through e-voting, are requested to send certified copy of the Board / governing body resolution / authorisation, etc. authorising their representatives to attend and vote on their behalf by email to pcschirag@gmail.com and a copy be marked to evoting@kfintech.com with the subject line 'SHREE RAMA MULITI-TECH LIMITED'

3. The attendance of the Members attending the AGM through VC/ OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. In Pursuant to aforesaid Circulars of Ministry of Corporate Affairs (MCA) Circular No. 2/2022 dated 5th May, 2022 and SEBI Circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May, 2022, the Notice of AGM along with Annual Report 2021-22 is being sent only through electronic mode to those members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2021-22 has been uploaded on the website of the Company at www.srmtl.com. The Notice can also be accessed from the websites of the stock exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and is also available on the website of M/s Kfin Technologies Limited (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. <https://evoting.kfintech.com>.
5. A statement pursuant to Section 102(1) of the Companies Act, 2013 ('the Act'), relating to the Special Business to be transacted at the Meeting is annexed hereto.

SHREE RAMA MULTI-TECH LIMITED

6. Pursuant to the Secretarial Standards and Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the information about the Directors proposed to be appointed/ re-appointed is given in the Annexure to the Notice.
7. The Register of Directors and Key Managerial Personnel of the Company and their shareholding maintained under Section 170 of the Act, the Register of Contracts and Arrangements in which Directors are interested maintained under Section 189 of the Act and all other documents referred to in the Notice will be available for inspection in the electronic mode up to the date of the AGM of the Company and will also be available electronically for inspection by the Members during the AGM. REMOTE E-VOTING:

22. In compliance with the provisions of Section 108 of the Act, Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, Secretarial Standard 2 of Secretarial Standards on General Meetings, Regulation 44 of SEBI (LODR) Regulations, 2015 and the MCA Circulars, the Company is pleased to provide to the member's facility to exercise their right to vote on resolutions proposed to be considered at the Meeting by electronic means through e-voting services arranged by KFin. Members may cast their votes using an electronic voting system from a place other than the venue of the Meeting ("remote e-voting"). Remote e-voting is optional.
23. **The remote e-voting period commences on Monday, 12th September, 2022 (9:00 a.m. IST) up to Wednesday, 14th September, 2022 (5.00 p.m. IST).** During this period, the members of the Company holding shares either in physical form or in demat form, as on the Cut-off Date, i.e Thursday, 8th September, 2022 may cast their vote by remote e-voting. The remote e-voting module shall be disabled by KFin for voting thereafter. Once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently. Members, who cast their vote by remote e-voting, may attend the Meeting through VC / OAVM, but will not be entitled to cast their vote once again on the resolutions.
24. The voting rights of members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date.
25. Any person holding shares in physical form and non-individual shareholders holding shares as of the Cut-off Date, may obtain the login ID and password by sending a request at

SHREE RAMA MULTI-TECH LIMITED

evoting@kfintech.com. In case they are already registered with KFin for remote e-voting, they can use their existing User ID and password for voting.

26. In terms of SEBI e-voting Circular, e-voting process has been enabled for all 'individual demat account holders', by way of a single login credential, through their demat accounts / websites of Depositories / Depository Participant(s) ("DP"). The detailed instructions for remote e-voting are given below.
27. Individual members having demat account(s) would be able to cast their vote without having to register again with the e-voting service provider ("ESP"), i.e. KFin, thereby not only facilitating seamless authentication but also ease and convenience of participating in the e-voting process. Members are advised to update their mobile number and e-mail ID with their DPs to access the e-voting facility.

JOINING THE MEETING THROUGH VC / OAVM:

28. Members will be able to attend the Meeting through VC / OAVM or view the live webcast of the Meeting at <https://emeetings.kfintech.com/> by using their remote e-voting login credentials and selecting the 'EVEN' for Company's Meeting.
29. Members who do not have the User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the remote e-voting instructions mentioned in the Notice. Further, members can also use the OTP based login for logging into the e-voting system.
30. Members may join the Meeting through laptops, smartphones, tablets or ipads for better experience. Further, members are requested to use internet with a good speed to avoid any disturbance during the Meeting. Members will need the latest version of Chrome, Safari, Internet Explorer 11, MS Edge or Mozilla Firefox.

Please note that participants connecting from mobile devices or tablets or through laptops connecting via mobile hotspot may experience audio / video loss due to fluctuation in their respective network. It is therefore recommended to use stable Wi-Fi or LAN connection to mitigate any glitches.

Members will be required to grant access to the web-cam to enable two-way video conferencing.

31. Facility of joining the Meeting through VC / OAVM shall open 30 (thirty) minutes before the time scheduled for the Meeting and shall be kept open throughout the Meeting. Members will be able to participate in the Meeting through VC / OAVM on a first-come-first-serve basis. Up to 1,000 shareholders will be able to join the Meeting on a first-come-first-serve basis.

Large members (i.e. members holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. will not be subject to the aforesaid restriction of first-come first-serve basis.

Institutional members are encouraged to participate at the Meeting through VC / OAVM and vote thereat.

32. Members are requested to attend and participate at the Meeting through VC / OAVM and cast their vote either through remote e-voting facility or through e-voting facility to be provided during Meeting. The facility of e-voting during the Meeting will be available to those members who have not cast their vote by remote e-voting. Members, who cast their vote by remote e-voting, may attend the Meeting through VC / OAVM, but will not be entitled to cast their vote once again on the resolutions. If a member casts votes by both modes, i.e. voting at Meeting and remote e-voting,

SHREE RAMA MULTI-TECH LIMITED

voting done through remote e-voting shall prevail and vote at the Meeting shall be treated as invalid.

33. In case of any query and / or assistance required, relating to attending the Meeting through VC / OAVM mode, members may refer to the Help & Frequently Asked Questions (FAQs) and 'AGM VC / OAVM' user manual available at the download Section of <https://evoting.kfintech.com> or contact Mr. Ganesh Chandra Patro, Senior Manager, KFin at the email ID evoting@kfintech.com on KFin's toll free No.: 1-800-309-4001 for any further clarifications / technical assistance that may be required.

OPERATIONAL REVIEW

Your Company's total revenue from operations during the year under review was Rs.15031.47 lakhs as compared to Rs.13580.13 lakhs of previous year which shows an increase of 10.69% over the previous year figure. The other income was Rs.42.07 lakhs during the year under review. The EBIDTA of the Company during the year was Rs.238.46 lakhs. The loss for the Financial Year 2021-22 was Rs.492.23 lakhs. The reasons for the loss during the year as compared to last year is mainly due to increase in the cost of raw material, transportation cost, low margin and stiff competition in the market including the effect of Covid 19 pandemic.

OVERVIEW OF PACKAGING INDUSTRY IN INDIA

The polymer packaging industry contributes substantially to the GDP growth in India and at the same time support the consumer-led industries such as FMCG and pharma, key sectors for growth in India, with reliable of packaging solutions.

The Indian packaging industry's market size at Rs.2,050-2,100 billion in fiscal 2022, growing at CAGR 6.4-7.0% from fiscal 2017. Polymer packaging, which form two-thirds of the industry by revenue, grew 6% during the year. The paper packaging segment also witnessed a strong 11.8% CAGR revenue growth. on the other hand, metal and glass packaging witnessed a moderate 6.7% and 2.4% growth, respectively during fiscal 2017-2021. Demand for packaging segments comes from food packaging and pharma segments.

SHREE RAMA MULTI-TECH LIMITED

Over fiscals 2022-2027, as per expectation the industry to log 7-8% CAGR on the back of healthy volume growth driven by polymer, paper and metals packaging segments. The pharmaceutical, industry chemical, food product, and personal care sectors are expected to be the key growth drivers. Fast-moving consumer goods (FMCG) companies' increasing focus on innovative packaging solutions that offer scope for enhanced aesthetic value and extended shelf life will also propel demand

Polymers have emerged as the most preferred packaging material with 65-70% share in overall packaging. The segment has clocked 6% CAGR between fiscal 2017-2021, following paper packaging, which saw higher 11.8% CAGR. Metal packaging witnessed 6.7% CAGR during the period and glass 2.4% CAGR.

In terms of end-user industries, the pharma and food product segments witnessed a rapid 8.5% and 7.1% CAGR during the period of fiscal 2017-2022, driving demand for packaging. The personal care (2.3% CAGR) and industry chemical segments 5.8% CAGR also supported the overall industry demand. Traditionally, robust growth in demand for FMCG products has been the key driver for the packaging sector. FMCG companies' focus on rural markets has boosted demand for polymer packaging, especially for pouches and sachets.

Flexible packaging comprises BOPP, HDPE, and PP bags and rigid packaging includes HDPE containers, PP containers and jars, and PET bottles. There has been a significant shift in preference from rigid to flexible packaging owing to convenience of use and lower cost. Introduction of new solutions such as laminated pouches and sachets has helped increase the share of flexible packaging over time.

Over the next three fiscals, the rigid packaging segment's revenue is expected to log higher growth rate than that of flexible packaging, largely backed by volume growth and demand from food products and FMCG sectors. Growth in flexible packaging is expected to be slightly higher than rigid packaging, driven by increased use of BOPP in the form of pouches and sachets to package food products, personal care products, etc.

The Key growth drivers for packaging industry are Growth prospects of end-user sectors, increasing rural demand for small packaged goods, Expected growth in organized retail and e-commerce industry, Better affordability levels, health-conscious nature of consumers and Demand for innovative product solutions and sustainable packaging.

COVID-19 AND FISCAL 2022 GDP GROWTH

India is getting back on its feet slowly, with divergent growth trends. Though data suggests there has been some pick-up in recent months, recovery is weak and uneven. And indeed, the scars of the pandemic continue to run deep for small businesses, the urban poor and most of the services sector.

Fiscal 2022 is also seen as a story of two halves - the first half characterised by a base effect-driven recovery amid the challenges associated with resurgence in Covid-19 infections, and the second half seeing a more broad-based growth, as vaccine rollout and less stringent nationwide restrictions supporting lagging sectors. The gains made by the economy in the fourth quarter of fiscal 2021 seem to have fizzled out in the first quarter of fiscal 2022 because of the fierce second wave, leading to localised lockdowns in most states.

As per the second advance estimates released by the National Statistical Office on 28th Feb 2022, India's real gross domestic product (GDP) is set to grow 8.9% in this fiscal, compared with 9.2%

Annual Report 2021-22

estimated in January. This is largely a reflection of a higher base (as the economy had shrunk 6.6% in fiscal 2021, less than 7.3% previously estimated). In fact, the estimate for fiscal 2022 real GDP in absolute terms at Rs.147.7 trillion is marginally higher than Rs.147.5 trillion estimated earlier, suggesting that the downside from the omicron variant of Covid-19 has proven to be mild so far. But it is also noteworthy that given the large output loss last fiscal, GDP is still only 1.8% above the pre-pandemic (fiscal 2020) level.

SHREE RAMA MULTI-TECH LIMITED

Boards' Comments on Auditors Emphasis:

1. Regarding the non-provision of interest on borrowings in form of Loans and debentures:

The management has already initiated settlement with the lenders of the loan and debentures as per the Scheme of Arrangement and Compromise long back. The lenders specified in the scheme have given their consent for settlement as per the terms of the scheme and in the opinion of the management, the amount of dues payable to lenders have been specified under the definition of "Settled Debt" under clause (r) of Part 1 of the scheme, therefore no further liability on account of interest will arise. The Hon'ble High Court of Gujarat has passed an order on 20th February, 2020, whereby the O.J, Appeal has been dismissed. The Company has filed Review Application on 02/11/2020 before the Hon'ble High Court of Gujarat. In case the scheme is not approved or approved with different terms, the company will give necessary accounting effect on final ascertainment of the same.

2. Regarding Non consolidation of accounts of Shree Rama Mauritius Limited (WOS):

In respect of the investment made in Shree Rama (Mauritius) Limited, its Wholly-Owned Subsidiary (WOS), the resident directors & key managerial personnel of the said WOS had resigned in the year 2005-06 and audited accounts for the year ended 30th September 2003 and onwards could not be prepared and provided. Its present status is shown as 'defunct' under respective laws. The Company has accordingly provided for diminution in the value of investments in the earlier years.

In view of the above, it was not possible to prepare consolidated financial statements as required by Ind AS 110 issued by ICAI and other provisions of the Companies Act, 2013.

SECRETARIAL AUDIT

Pursuant to provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board had appointed M/s Chirag Shah & Associates, Practicing Company Secretaries to undertake the Secretarial Audit of the Company for the Financial Year 2021-22. The Secretarial Audit Report is annexed herewith as "**Annexure C**" as a part to this Report.

There are some observations made by the Secretarial Auditor in their report for which the Board of Directors hereby give its comments/ explanation as under:

(i) Regarding Non-consolidation of accounts of Shree Rama (Mauritius) Limited (WOS):

In respect of the investment made in Shree Rama (Mauritius) Limited, its Wholly-Owned Subsidiary (WOS), the resident directors & key managerial personnel of the said WOS had resigned in the year 2005-06 and audited accounts for the year ended 30th September 2003 and onwards could not be prepared and provided. Its present status is shown as 'defunct' under respective laws. The Company has accordingly provided for diminution in the value of investments in the earlier years.

In view of the above, it was not possible to prepare consolidated financial statements as required by Ind AS 110 issued by ICAI and other provisions of the Companies Act, 2013.

(ii) Regarding pending redemption of 666666 15% Cumulative Preference Shares

The Composite Scheme of Compromise and Arrangement with its lenders and Shareholders u/s 391 of the Companies Act, 1956 filed with Hon'ble High Court of Gujarat before division bench has been dismissed by Hon'ble High court vide its order dated 20th February, 2020. The

Annual Report 2021-22

Company has filed Review Application on 02/11/2020 before the Hon'ble High Court of Gujarat and matter of redemption of preference shares along with dividend etc. is also covered in the scheme. The Board is of the view that the said matter will be sorted out on final outcome of the scheme.

Further, in addition to above, the Preference Shareholder has waived the right to receive the dividend accumulated on the Preference Shares and accumulated interest on delayed payment provided that the Company redeems the outstanding preference shares by 31st July, 2022 or such other extended date permitted by the Preference Shareholder at his sole discretion.

(iii) Regarding non-reversal of provision of dividend and non-transfer of the said amount to IEPF

In the Scheme of Compromise and Arrangement, the issue of waiver of unpaid dividend on preference shares is also covered. Further, Hon'ble High court vide its order dated 20th February, 2020 has dismissed the O J Appeal and the Company has filed Review Application on 02/11/2020 before the Hon'ble High Court of Gujarat. The Board is of the view that the said matter will be sorted out on final outcome of the scheme.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting this Management Discussion and Analysis Report for the year ended on 31st March, 2022.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Overall packaging industry in India is estimated at Rs.2,050- 2,100 billion for fiscal 2022:

The polymer packaging industry contributes substantially to the GDP growth in India and at the same time support the consumer-led industries such as FMCG and pharma, key sectors for growth in India, with reliable of packaging solutions.

Packaging industry to grow moderately in medium term:

The Indian packaging industry's market size at Rs.2,050-2,100 billion in fiscal 2022, growing at CAGR 6.4-7.0% from fiscal 2017. Polymer packaging, which form two-thirds of the industry by revenue, grew 6% during the year. The paper packaging segment also witnessed a strong 11.8% CAGR revenue growth. on the other hand, metal and glass packaging witnessed a moderate 6.7% and 2.4% growth, respectively during fiscal 2017-2021. Demand for packaging segments comes from food packaging and pharma segments.

Growth in consumer segments to drive packaging industry:

Over fiscals 2022-2027 as per expectation, the industry to log 7-8% CAGR on the back of healthy volume growth driven by polymer, paper and metals packaging segments. The pharmaceutical, industry chemical, food product, and personal care sectors are expected to be the key growth drivers. Fast-moving consumer goods (FMCG) companies' increasing focus on innovative packaging solutions that offer scope for enhanced aesthetic value and extended shelf life will also propel demand.

Polymers form more than half of packaging material:

Polymers have emerged as the most preferred packaging material with 65-70% share in overall packaging. The segment has clocked 6% CAGR between fiscal 2017-2021, following paper packaging, which saw higher 11.8% CAGR. Metal packaging witnessed 6.7% CAGR during the period and glass 2.4% CAGR.

In terms of end-user industries, the pharma and food product segments witnessed a rapid 8.5% and 7.1% CAGR during the period of fiscal 2017-2022, driving demand for packaging. The personal care (2.3% CAGR) and industry chemical segments 5.8% CAGR also supported the overall industry demand. Traditionally, robust growth in demand for FMCG products has been the key driver for the packaging sector. FMCG companies' focus on rural markets has boosted demand for polymer packaging, especially for pouches and sachets.

Polymers to continue to dominate the packaging market:

Polymers dominate the packaging market with a 68% share, followed by paper. HDPE (used in jars, packs, and containers), BOPP packs, PET bottles, and PP bags are the key materials used in polymer packaging. Historically, polymers have been substituting metal and glass packaging owing to favourable properties such as light weight, low cost, corrosion resistance, and versatility of use. Polymer is also used along with other materials such as paper in the form of barrier coating to enhance packaging quality. PET, a form of polymer packaging, has been increasingly replacing glass to package products

Annual Report 2021-22

with shorter shelf life. Similarly, HDPE containers are used instead of metal containers to package goods in large quantities. Awareness about the adverse impact of plastics on the environment and push from state governments to reduce its usage have started impacting demand for polymer packaging. However, it is limited to a few segments, as plastic packaging is irreplaceable in some segments, such as food, owing to the cost factor and perishable nature of the products packaged.

SRMTL'S PERFORMANCE AS INDUSTRY:

SRMTL is an ISO 9001:2015, ISO 15378:2017 and DMF-type III certified Company engaged in providing primary packaging solution. We currently manufacture a wide and diverse range of packaging products such as laminated tubes ("Lami Tubes"), tube laminates and flexible laminates. Our products are primarily used for oral care, pharmaceuticals, cosmetics and fast-moving consumer goods (FMCG) sectors. Our products are available in different sizes, diameters and circular shape as per the specifications of our customers.

Your company's major product is laminated tubes and laminates, which is used for packing products in paste or gel form. Production related to Tubes was increased by 4 % as compared to last year which was hit by lockdown due to Covid-19 pandemic.

The key growth driver for the year was tube laminate with 21 % growth in production as compared to last year. The another high potential segment for your company is flexible laminate which grew 4 % as compared to last year. The numbers of key customers have been tapped for this segment which can give impressive growth in the coming year.

SEGMENT-WISE/ PRODUCT WISE PERFORMANCE:

The Company closed the year at higher level in laminated tubes and Flexible Laminate sales as both of our products are key growth drivers. This is because of robust orders of Laminates from domestic and export market.

OPPORTUNITIES, THREATS AND RISK PERCEPTION:

The polymer packaging segment from fiscals 2017 to 2022 logged 6.0% CAGR, driven by food products (70% of total polymer packaging demand), which registered 6-8% CAGR in the same period. Pharmaceuticals segment recorded a healthy 8-9% CAGR and industry chemicals grew at 5.5-6.0% CAGR, driving industry revenue. Other sectors such as non-alcoholic beverages and personal care registered relatively slower growth of 1-2% CAGR.

Polymer packaging segment de-grew marginally by 2 to 4% in fiscal 2021 at the back of a flat volume growth of 0 to 2% and a realization de-growth of 3 to 5% due to decline in PE and PP prices. We expect revenue to increase at a CAGR of 7-8% to Rs.2,000 billion by fiscal 2027. Healthy growth in sales of food and personal care products is likely to boost the polymer packaging segment.

The growth drivers and trends in laminated tubes packaging mainly includes growth in pharmaceuticals and cosmetics to support segment, shift from aluminium tubes to laminated tubes, shift from rigid bottles or related packaging to flexible tubes, Provide sensitive formulas with required protection, Eco-friendly packaging alternatives and New segments etc.

The challenges and risks in flexible packaging mainly includes environmental issues, high input costs, Large Capital expenditure, Lack of Technology, rapid technological changes, Working capital cycle, Regulatory constraints, Supply Chain Disruption etc.

SHREE RAMA MULTI-TECH LIMITED

RISK AND CONCERNS:

The packaging industry is highly fragmented in nature with large number of unorganized players. Also organized players keep on adding capacity to service customer's requirements. Accordingly, considerable capacity has been added by organized as well as unorganized players. This has created enormous competition among players. Like any other company, our Company also faces competition from many other players. We compete against our competitors by nurturing our deep customer relationship and establishing ourselves as a manufacturer of quality packaging products. We focus on superior quality, shorter lead time and high service level as means to keep the customer satisfaction high. Major players include EPL Limited, Huhtamaki India Limited, Uflex Limited, Skypack India Private Limited etc. Further, all major Raw Material prices like Plastic Granules, Aluminium Foil, Paper, etc have gone up drastically in this year. Even transport cost has gone up on account of rising fuel prices and ocean freight is also skyrocketing because of shortage of containers. Above factors have contributed to a large extent on the bottom line and remains a risk going forward also.

Government has notified the Plastic Waste Management Amendment Rules, 2021, prohibiting identified single use plastic items by 2022. Pollution due to single use plastic items has become an important environmental challenge confronting all countries.

In the wake of recent events by government towards discouraging single use plastics products and promotion of recyclable plastics, your management believes that this has potential to bring disruptive changes in the entire plastic industries. While your company is undertaking several initiatives to innovate possible and affordable solution to the issue. It may cost to the company and we should be prepared for this. Recent development regarding Pollution control boards insisting on EPR (Extended Producer Responsibility) for all packaging oriented companies and cost implications of same are also another aspect where we may have to incur further cost by capital investment in the machineries to comply with the directions under government regulations. This along with insistence on recyclable plastic has potential to change the way industry operates as a whole.

BUSINESS OUTLOOK

On the back of more and more products getting converted from Aluminium tubes to Multilayer tubes and increasing per capita plastic consumption in India, the growth potential for Multilayer tubes may rise and therefore, we have added latest technology machines to stay at the forefront of the competition going forward.

INTERNAL CONTROL SYSTEMS AND ITS ADEQUACY

The Company has adequate and effective internal controls to provide reasonable assurance on achievement of its operational, compliance and reporting objectives. The Company has deployed controls through its policies and procedures. These policies and procedures are periodically revised to ensure that they remain updated to changes in the environment. There is a well laid out process for making amendments to processes in the Company and implications of changes are well thought through and all stakeholders are consulted so that implementation is smooth.

Internal Audit as part of their audits, review the key processes from an adequacy of controls' point of view. Suggestions to further strengthen the processes or to make them more effective are shared with the process owners and changes are made suitably.

Annual Report 2021-22

The Company believes in conducting business in a fair, ethical and compliant manner. In this regard, periodic meetings to make the employees aware of the code of conduct are held. The Company has designed its software tool which helps track key compliances as close as possible to the actual due date. Any deviations are highlighted for prompt corrective action. Functional heads take responsibility for putting in preventive steps. The internal financial control system is also included in the board report.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the financial year 2021-22, the Company has achieved total revenue from operation of Rs.15,031.47 lakhs thereby registered growth in revenue by 10.69% as compared to the previous year's figure of Rs.13580.13 lakhs. The EBIDTA of the Company during the year stood at Rs.238.46 Lakhs. The Company is targeting to achieve the economy and growth within the overall available resources along with increase in the volume for steady and for the improvement in the business activities.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company attaches importance to the dignity of employee irrespective of position and highly values the cultural diversities of employees. As on 31st March, 2022, the total number of permanent employees on the roll of the company is 353. The company is committed to nurturing, enhancing and retaining its top talent through superior learning and organizational development. This is a part of our Corporate HR function and is a critical pillar to support the organization's growth and its sustainability in the long run.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Shree Rama Multi-Tech Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of **Shree Rama Multi-Tech Limited** (the 'Company') which comprise the Balance Sheet as at March 31, 2022, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, **except for the matters described in the basis for qualified opinion para below**, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Sec. 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its loss, total comprehensive loss, the changes in equity and its cash flows for the year then ended on that date.

Basis for Qualified Opinion

a. *The Company has made borrowings in the form of loans, debentures, etc. in earlier years which are under settlement. During the year the Company has not provided interest of Rs.854.72 Lakhs on such outstanding borrowings. The accumulated interest on such borrowings not provided for past several years upto 31/3/2022 is Rs.17,247.37 Lakhs.*

If the provision for interest is made, the loss for the current year would have increased by Rs.854.72 Lakhs and accumulated losses upto 31/3/2022 would have increased by Rs.854.72 Lakhs and accordingly net loss for the current year would have been 1330.37 Lakhs and accumulated losses upto 31/3/2022 would have been Rs.47213.82 Lakhs (Refer Note No. 49.6 of financial statements).

b. *Non-consolidation of accounts of Shree Rama (Mauritius) Limited (Wholly Owned Subsidiary) as per Section 129 of the Act & Ind AS 110 issued by the Institute of Chartered Accountants of India for the reasons specified in Note No. 39 of the financial results.*

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the

Annual Report 2021-22

ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

- a. We draw attention to Note No. 49.5 of the financial statements. The Hon'ble High Court of Gujarat has passed an order dated 20/2/2020, whereby the O.J. Appeal filed by the Company against the order of single bench of Hon'ble High Court of Gujarat in respect of Scheme of Compromise and Arrangement u/s 391(1) of Companies Act, 1956 has been dismissed. The Company has filed Review Application on 02/11/2020 before the Hon'ble High Court of Gujarat.
- b. We draw attention to Note No. 49.7 of the financial statements. The Company has entered into a Settlement Agreement with certain lenders for waiver of interest and other charges as may be applicable, subject to repayment of principal amount with respect to such loans and debentures on or before 31st July, 2022 or such other extended date permitted by the lenders at their sole discretion. Further, the Preference Shareholder has also waived the right to receive the dividend accumulated on the Preference Shares and accumulated interest on delayed payment provided that the Company redeems the outstanding preference shares by 31st July, 2022 or such other extended date permitted by the Preference Shareholder at his sole discretion. Necessary accounting entries shall be passed after the Company makes the payments as per the terms agreed by lenders/Preference Shareholder.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's reports thereon.

Our opinion on the standalone financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively or ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SHREE RAMA MULTI-TECH LIMITED

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigations on the financial position of its financial statements (Refer Note No. 49 to the financial statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

Annual Report 2021-22

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company except dividend mentioned in Note No. 49.3(b).
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
 - (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has neither declared nor paid any dividend during the year.
2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to the Standalone Financial Statements of Shree Rama Multi-Tech Limited (“the Company”) as at 31 March 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing (“SA”), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Standalone Financial Statements. Those SAs and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Standalone Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to the Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to the Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to these standalone financial statements

A company’s internal financial controls with reference to the Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the

Annual Report 2021-22

preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the Standalone Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls With Reference to these Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Standalone Financial Statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note").

 - (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The Company is maintaining proper records showing full particulars of intangible assets.
 - (b) The Property, Plant & Equipment and right-of-use assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its business. According to information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) The title deeds of immovable properties as disclosed in Note No. 2 on “Property, Plant and Equipment” and Note No. 14 on “Assets Held for Sale” to the financial statement are mortgaged with lenders and as informed to us same are in the name of the company.
 - (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) and its intangible assets.
 - (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii. (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) The Company has been sanctioned working capital limits in excess of Rs.5 crores in aggregate from Banks on the basis of security of current assets. Quarterly returns / statements are filed with such Banks which are not in agreement with the books of account. Details of the same are as below.

(Rs. In Lakhs)

iii. The Company has not made any investments in, provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties during the year. The Company has granted loans or advances in the nature of loans to other parties, in respect of which :

(a) The Company has provided interest-free unsecured loans or advances in the nature of loans during the year and details of which are given below:

Particulars	Aggregate Amount during the year (Rs. In Lakhs)	Balance outstanding at the balance sheet date (Rs. In Lakhs)
- Subsidiaries	Nil	Nil
- Joint Ventures	Nil	Nil
- Associates	Nil	Nil
- Others (employees including KMP)	4.50	1.90

The Company has not given guarantee or provided security to any other entity during the year.

(b) The grant of all the above-mentioned loans or advances in the nature of loans to employees are, in our opinion, prima facie, not prejudicial to the interest of the Company.

(c) In respect of interest-free loans or advances in the nature of loans provided by the Company to its employees, the schedule of repayment of principal has been stipulated except one case and the repayments of principal amounts are regular as per stipulation in such cases.

In case of the loans and advances in the nature of loan, schedule of repayment of principal and payment of interest have not been stipulated. In the absence of stipulation of repayment terms are unable to comment on the regularity of repayment of principal and payment of interest.

(d) According to information and explanations given to us and based on the audit procedures performed in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

SHREE RAMA MULTI-TECH LIMITED

Percentage thereof to the total loans granted	100%	Nil	100%

- iv. In our opinion and according to the information and explanations given to us, the Company has not granted loan or made investment or given guarantee or provided security as provided in the section 185 and 186 of the Companies Act, 2013. Hence reporting under clause (iv) of the Order is not applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- vi. We have broadly reviewed the books of accounts maintained by the Company pursuant to the Rules made by the Central Government for maintenance of cost records under section 148 of the Act, and are of the opinion, that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- vii. In respect of statutory dues:
- (a) The company has been generally regular in depositing undisputed statutory dues including Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues applicable to it with the appropriate authorities. We have been informed that the provisions of the Employees' State Insurance Act, 1948 are not applicable to the Company. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March, 2022 on account of any dispute, except the following:

- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and hence reporting under clause (ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to the information explanation given to us and on an overall examination of the financial statements of the Company, we report that the company has not taken any funds from an any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies. Hence reporting under clause (ix)(f) of the Order is not applicable.

SHREE RAMA MULTI-TECH LIMITED

- x. (a) The company did not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause x(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or convertible debentures (fully, partly or optionally convertible) during the year under review and hence reporting under clause x(b) of the Order is not applicable.
- xi. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with its directors during the year. Hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion and according to information and explanations given to us, the Company is not required to be registered under section 45IA of the Reserve Bank of India Act, 1934.
- (b) In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(b) of the Order are not applicable to the Company
- (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(c) of the Order are not applicable to the Company.
- (d) The Company does not have any CIC as part of its group. Hence the provisions stated in paragraph clause 3 xvi (d) of the order are not applicable to the company
- xvii. After considering the effect of our audit qualification reported in paragraph (a) of the Basis for Qualified Opinion section of our Audit Report, the Company has incurred cash losses amounting to

Annual Report 2021-22

Rs.691.41 Lakh during the financial year covered by our audit but had not incurred cash losses in the immediately preceding financial year.

- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

SHREE RAMA MULTI-TECH LIMITED

NOTE 1 : Notes to Financial Statements

[A] Corporate Information:

The company is incorporated in India and is a leading Packaging solution provider. The Company has its wide market in local as well foreign market. The Company sells its products through established network. Its shares are listed on National Stock Exchange of India Limited and BSE Limited.

The Financial Statements were authorized for issue in accordance with a resolution of the directors on May 21, 2022.

[B] Significant Accounting Policies:

a) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) defined benefit plans - plan assets measured at fair value;
- 3) assets held for sale – measured at lower of carrying amount of fair value less cost to sell

(iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

b) Key accounting estimates and judgements

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known / materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

c) Fair value measurement

The fair values of the financial assets and liabilities are measured at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

All financial instruments are initially recognized and subsequently re-measured at fair value as described below:

- 1) The fair value of investment in quoted equity shares and mutual funds is measured at quoted price or NAV respectively.
- 2) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.
- 3) The fair value of forward foreign exchange contracts and currency swaps is determined using forward exchange rates and yield curves at the balance sheet date.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management, in conjunction with the Company's external valuers, wherever required, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on yearly basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

d) Property, plant and equipment

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

SHREE RAMA MULTI-TECH LIMITED

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

All expenditure incurred towards fixed assets including expenditure incurred during construction / new projects are accumulated and shown as capital work in progress and not depreciated until such assets are ready for commercial use.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on a Straight Line Method over the estimated useful lives of assets.

The Company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets are same as those prescribed in Schedule II to the Act, except for certain plant and machinery which based on an independent technical evaluation, life has been estimated as 20 years (on multiple shift basis) and for cylinders life has been estimated as 5 years, which is different from that prescribed in Schedule II to the Act.

Useful life considered for calculation of depreciation for various assets class are as follows-

Factory Building	30 years
Non- Factory Building	60 years
Plant and Machinery	5/15/20 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

e) Intangible Assets

Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Amortisation method and useful life

The Company amortizes computer software using the straight-line method over the period of 3 years. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

f) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cash at bank, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

g) Inventories

Items of inventories of Raw Material, Finished goods, Spares and Stores, Packing Material & Fuel are valued at lower of cost or net realizable value except waste which is valued at estimated net realizable value. Cost of inventories comprise of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost is determined on weighted average method.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Obsolete, slow-moving and defective inventories are identified by management and wherever necessary, provision is created for such inventories.

h) Financial instruments

i. Recognition and initial measurement

All financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- Fair Value through Other Comprehensive Income (FVOCI) – equity investment; or
- Fair Value Through Profit and Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and

- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI. (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial liabilities

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

iii. De-recognition

Financial assets

The company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The company de-recognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The company also de-recognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

iv. Off-setting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

i) Segment Reporting:

The Company's Chief Operating Decision Maker (CODM) examines the Company's performance from business and geographic perspective. In accordance with Ind AS-108 - Operating Segments, evaluation by the CODM and based on the nature of activities performed by the Company, which primarily relate to Packaging solution provider, the Company does not operate in more than one business segment.

j) Borrowings

Borrowings are initially recognized at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities.

k) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l) Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable

SHREE RAMA MULTI-TECH LIMITED

estimate of the obligation cannot be made. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

m) Revenue recognition

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of goods

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customers and there are no longer any unfulfilled obligations. The performance obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Sales Return

The Company recognises provision for sales return, on the basis of mutual satisfaction which is measured at the Sales value excluding taxes & duties.

Other operating revenue:

Export Incentives under various schemes are accounted in the year in which right to receive is irrevocably established.

Other revenue:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.

Interest received on delayed payment is accounted on receipt basis.

Revenue in respect of insurance/other claims etc, is recognized only when it is reasonably certain that the ultimate collection will be made.

Dividends

Dividends are generally recognised in the Statement of Profit and Loss only when the right to receive payment is established.

n) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be

made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity ; and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined Contribution Plans

Defined Contribution Plans such as Provident Fund, etc., are charged to the Statement of Profit and Loss as incurred.

Termination benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognises termination benefits at the earlier of the following dates: (a) when the Company can no longer withdraw the offer of those benefits; and (b) when the Company recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

o) Foreign currency translation

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are stated using the exchange rates at the dates of the initial transactions.

p) Leases

As a Lessee

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company recognises a Right-of-Use (ROU) asset and a lease liability at the lease commencement date. The ROU asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payment made at or before the commencement date, plus any initial direct cost incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentive received.

The ROU asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the ROU asset or the end of the lease term. The estimated useful lives of ROU assets are determined on the same basis as those of Property, Plant and Equipment. In addition, the ROU asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-to-use assets and lease liabilities for short-term lease that have a lease term of 12 months or less and leases of low-value assets. The Company recognise the lease payments associated with these leases as an expenses on a straight-line basis over the lease term.

q) Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

r) Earnings Per Share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

s) Cash Flow Statement

The Cash Flow statement is prepared by the “Indirect method” set out in Ind AS-7 on “Cash Flow Statement” and presents the cash flows by operating, investing and financing activities of the Company. Cash and cash Equivalent presented in the cash flow statement consist of cash on hand and demand deposits with banks.

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of Financial Statements to evaluate changes in Liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement.

t) Critical estimates and judgements :

The preparation of financial statements requires the use of accounting estimates may not match the actual results. Management also needs to exercise judgement in applying the company’s accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

u) Impairment of Assets:

The Company assesses at each reporting date whether there is an indication that a non-financial asset may be impaired based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable Value. An impairment loss is charged to the statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been a change in the estimate of recoverable amount. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

v) Assets held for Sale:

Non-current assets held for sale are measured at the lower of its carrying value or fair value less costs to sell. Non-current assets held for sale are not depreciated or amortized. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

w) Exceptional items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

x) Recent Pronouncement

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies the treatment of any cost or fees incurred by an entity in the process of derecognition of financial liability in case of repurchase of the debt instrument by the issuer. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 106 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

42. Financial Instruments - Fair Values & Risk Management

Accounting Classifications & Fair Value Measurements

The fair values of the financial assets and liabilities are measured at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Annual Report 2021-22

The fair value of investment in quoted equity shares and mutual funds is measured at quoted price or NAV.

Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

44 Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the

SHREE RAMA MULTI-TECH LIMITED

underlying businesses, company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in the operating companies of the company in accordance with practice and limits set by the company. These limits vary by location to take into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

45 Market Risk Management

(a) Foreign Currency Risk

The company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$, EUR. Foreign exchange risk arises from future commercial transactions and recognized assets and liabilities denominated in a currency that is not the company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows.

(b) Cash flow and fair value interest rate risk

The company's main interest rate risk arises from long-term borrowings with variable rates, which expose the company to cash flow interest rate risk. The Company policy is mainly to maintain its borrowings at fixed rate. As on 31st March 2022 and 31st March 2021, the company's borrowings at variable rate were denominated in INR.

The company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.
